February 2024

YOU helped us reach our year-end match!

Once again, I'm praising God and thanking you for helping us reach our year-end fundraising match goal of \$100,000. Leadership tells me this effort has funded all field ministry for 2024! Many thanks to all who participated.

Ministry touchpoints and trips

2024 is off to the races already with several training trips completed and scheduled.

Southeast Asian island - Another training has already been held in this area governed under Sharia law. Please pray for the growth and protection of these pastors.

The first half of **New Testament Survey** in Zimbabwe.

Advanced Studies in the Old Testament (part 3) training in Malawi.

Multiplying Servant Leaders and the **Character of God** courses also in Malawi for women.

New Womens group in North Africa - 2 day orientation seminar in preparation of a full week's training planned later this spring.

The last unit of **Growing as a Godly Woman** training to 30-35 leaders from 3 major regions in Nepal.

There are several trips happening in other sensitive areas of the world. Pray that God's word going forth will "accomplish that which I purpose, and shall succeed in the thing for which I sent it." Is. 55:11

Receipting company transition

BEE World has had to transition to a new receipting company. That comes with several waves of change and new interfaces and procedures to learn. The migration will enable us to serve our ministry partners and staff better in the future, but

Facilitator training (now called EMSL- **Essentials in Multiplying Servant Leaders**) will be held Feb 12-15 and July 8-11 this year. Praise God the Feb training attendance is the fullest in several years. We are now accepting registration for the **July date**. Is God calling YOU to help pastors in limited access places learn good Bible study and interpretation skills?

in the short term, there have been some glitchy challenges. (One small example was that when staff made a change in their reimbursement forms, it defaulted to pull from my personal support account since numerically my account number is first! Ack!) We'd appreciate your prayers and patience as we try to get all the processes smoothed out asap.

I'd also appreciate prayer to be able to share the ministry of BEE World more broadly and gain additional ministry partners in 2024. Thank you for your support and prayers!

Thank you for strengthening the church worldwide!
