

Tim & Andrea Kay

Rachel, Hannah & Maggie

Tim and Andrea have transitioned to roles with **Edgewood Ministries** and **The 18.26 Network**. The Kays remain committed to the work of the gospel in Africa and a ministry of equipping African national church leaders. The four areas of focus for their ministry with Edgewood in East Africa are: 1) pastor training, 2) church planting, 3) university campus ministry, and 4) economic development. Through their work with 18.26, Tim and Andrea will minister to vocational missionaries in Africa offering coaching and training to better equip them to work, to live and to serve well for Christ, and will also provide member care through encouragement, prayer, and spiritual counsel. Thank you very much for your partnership in ministry with us in Africa!
